You can also select any topic, which is better for you. If you don't have any idea. Then you can choose more topics from <http://articlerich.com>

You'll find many articles in Articlerich.com. You can copy any article and paste it into your Blog.

Now click on “Publish Post” to submit your post. You can also click on preview to take a look of your posts.

You’ll also get an confirmation email from Google to verify your Blogger account. Simply click on that link to confirm your blogger account.

Your blogger user name will be also your Blogspot address. When you click on publish post, Then you’ll see an option like “Open in new window”. Click on that to get your Website’s Address.

After clicking on that, you’ll see your Website. Simply write down the address of your Website.

It will seem like that– <http://xyz.blogspot.com> (it’s only an example).

So, You’ll get your Website. And if you have any problem, Then please check all the steps from beginning.

How to apply for Google AdSense?

To apply for AdSense open Blogger.com again and login with your email id and password, which you used for making a blog. Now you’ll be in the member area of Blogger. You’ll see some options like– Edit Posts, Settings, Layout, View Blog etc.

Click on “Layout”. And you’ll see a page. Add and arrange page elements. Click on “Add a Gadget” or “add a page element”. A pop up window will open. You’ll see many links in that window.

You’ll see a link “AdSense”. Click on that. You’ll see an option like create a new AdSense account. Enter your Email id and language. And continue. You’ll also need to select ad format, Select ad format 160x600. And continue.

Then you’ll need to confirm your AdSense account.

Open your Email id and you’ll see a Confirmation Email from Google. Click on that and you’ll see a new page. Fill your Payee name, Address, phone no & if you’ll see URL field, Then simply enter your Website or Blogger’s address. Now Your application has been submitted for review. It means that you’ve successfully created an AdSense Account. Now within 5-6 days maximum, You’ll get a welcome Email from Google. To let you know that your account has been approved.

If you received any email like your account has not been approved, Then please check your blog posts. And write new fresh posts or make a blog. To make a blog again, Simply follow the Blog making steps from Beginning. After getting Approval Email from Google. You’ll need to check your Blog to see that ads are showing in your Blog or not. If your ads are showing correctly then your AdSense money making website is ready. To check AdSense ads, You’ll see a little message like “Ads by Google” at the bottom of the Ads.

Now you'll need to promote your website to get traffic to your website. When people comes to your Website and click on the ads, You'll get an amount from \$0.50- \$30 or more.

Always Remember– Don't Click on your Own ads or Your account will be banned. And you'll never earn any money. So please don't click on your own ads and don't ask anyone to click on them.

To check your AdSense account's Earning, simply open– <http://google.com/adsense> and enter your Email id and password, When you open your account first time, You'll see TOS and Policy of Google AdSense. Select all the TOS and continue. How to make Money with Google AdSense?
